

# American Fabric Filter Co.

Your ultimate source for dust bags, screens and rubber products!

## Custom Fabric Dust Bags & Sleeves

### Industrial

Industrial requirements can vary widely - from one tiny filter or sleeve to a mass of filters to a giant single-use dust bag.

If a dust collector has been under-maintained for years, you may have gradually grown used to reduced suction and breathing dangerous dust. AMERICAN FABRIC FILTER CO. can optimize your system with custom dust bags and sleeves of any shape or size based on your description or sample. We use a wide selection of fabrics and can make filters for both new and discontinued equipment.

Call, fax or e-mail us for a no-obligation evaluation of your equipment's performance and a free quote.
