

# American Fabric Filter Co.

Your ultimate source for dust bags, screens and rubber products!

## Fabric & Mesh Liquid Filter Bags

### Liquid Filters

AMERICAN FABRIC FILTER CO. provides a complete range custom manufactured liquid filter bags for all standard and most custom vessels in plain or glazed felts from ½ to 100 micron and mesh from 5 to 800 micron.

Construction options include plastic, carbon, stainless and PVC-coated steel rings; handles, draw strings and muslin or mesh (multi-layer) covers.

All filters are custom manufactured to meet your requirements. Please have the filter style designation or measure the length, flat width of the bag and ring diameter (if used when requesting a quote. For unusual or difficult to measure applications, a sample bag that you know fits is most desirable.

Call, fax or e-mail us for a no-obligation evaluation of your equipment's performance and a free quote.
